Retirement Income Digital Tools

Calculators can help insurance carriers tell their story of how annuity products with lifetime income benefits fill the gap in retirement income.

Hedgeness provides such tools in a ready-to-launch format without the cost, delay, or complexity of development and approvals.

Why Our Calculators?

- **Purpose-Built for Annuities:** Designed specifically to highlight annuity benefits for retirement income - guarantees and tax deferral.
- **Marketing and Sales Enablement:** Give your wholesalers and advisors simple tools to start retirement conversations positioning the role of an annuity.
- **Quick Availability:** Launch in as little as 2 weeks with your branding.
- **Zero to minimal IT Lift:** Our calculators are ready to embed on your sites and microsites and require minimal setup.
- **Analytics Included:** Gain insights into the demographics of the use cases being run in the tools.
- **Compliance-Friendly:** Built with years of experience for quick carrier compliance review processes.
- **Trusted by Leading Insurance Carriers:** Hedgeness has been providing insurance carriers with annuity sales and marketing software since 2016.
